

R-LADIES OTTAWA

INTERNATIONAL
WOMEN'S DAY
NETWORKING NIGHT

R-Ladies is a global initiative with a mission to achieve **proportionate representation of individuals identifying as minority genders** in all aspects of the R programming language community.

About R-Ladies Ottawa

The **Ottawa** chapter of this global organization has over **700 members** on Meetup. We host both virtual and in-person events in the National Capital Region.

OUR EVENTS

This is our **6th** event since re-launching in September 2023 🎉

Upcoming events:

- IWD Data Challenge: March 8th - April 7th
- Big Data in R with Arrow workshop: April 10th

We're always looking to improve our events! Please share your feedback and ideas with us :)

All R-Ladies events are
free to attend, always.
